Padmawati Extrusion Pvt. Ltd., with over 2 decades of experience, with focus on customer need and commitment to **quality, perfection and innovation**, has become one of the leading nationwide providers of aluminium.

The company has been engaged in the complete process of extrusion, from technical sales advise, designing, testing to providing all ancillary, hardware fittings for system windows, glazing systems, exhibition systems and various products and caters to architects, contractors and designers from different sectors & industries.

With an eye on quality, the company has also introduced **aluminium profiles with scratch free sand blasted anodize finish, brush anodize finish, mirror finish and various powder coated finishes** for our discerning customers.

Our way of working reflects delivering an advantage in every key aspect of our business – sourcing, operations and cost. Basically, we are a **one stop shop for extruded aluminium** custom solutions for practically any application.
